March 2020

Dear Parent/Carer

In order to make transition to our school smoother and less daunting for students from Primary Schools we would like to offer the chance for you and your son/daughter to attend an **Information Evening** here at school.

We are aware that not every young person and parent was successful in securing their top preference of secondary school and Hanson, may or may not have been in your top preferences, but either way we would like you to come and see what Hanson has to offer. We endeavour to ensure every child is safe, enjoys their learning and has all the opportunities they need to succeed and I want to assure all parents that this is our main priority.

The evening will be held on **Thursday 26th March from 5.00pm – 7.00pm**. You will have the opportunity to listen to a presentation from the Headteacher and these will take place at 5.15pm and 6.00pm.

If you have any questions or queries about your child's placement here at Hanson you will have the opportunity to speak with other members of staff including the Director of Key Stage 3 and the pastoral team, form tutors and current students during the evening. You will also have the opportunity to visit the different subject areas and meet teachers.

We are confident that you will be impressed by visiting the school and that your child will enjoy their time here at Hanson and in doing so achieve their full potential.

We look forward to seeing you and if you require any further information please do not hesitate to contact the school.

Yours faithfully

Mr A O'Neill

Director of Transition and Progression
