

Remote Learning

Teaching for Year 12 (now Year 13) ended 20th March 2020 as schools closed nationally. Students were provided with remote learning opportunities through the schools online platforms. From 15th June 2020 Year 12 were able to access wider opening face-to-face sessions for 5 weeks to compliment their remote learning opportunities. Since 7th September 2020 students have returned to school full time and are working hard to bridge gaps and lost learning.
