

Re: Christmas Jumper Day

Dear Parent/Carer,

We are writing to inform you that Hanson School is supporting Save the Children's Christmas Jumper Day on **Friday 11th December 2020**. This will involve all students from Year 7 to 13 and staff.

Students who would like to be involved are invited to wear non uniform with a Christmas style jumper in place of their normal school uniform. Students are still expected to wear their lanyard for identification and wear their face covering in all communal areas.

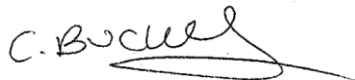

Christmas jumpers may include a wintery pattern or a suitable image linked to Christmas, alternatively students could dress in festive colours. More information about Christmas Jumper Day can be found at [www.savethechildren.org.uk](http://www.savethechildren.org.uk)

Students choosing to participate by wearing a Christmas jumper will be asked to pay a minimum donation of £1.00 all of which will go directly to Save the Children.

The standard of uniform at Hanson School is excellent and students are still expected to dress in a way that is appropriate to a purposeful, safe working environment. Normal lessons will, of course, take place on this day. If students have PE on the day, they will be expected to bring PE kit as usual.

Please do not hesitate to contact us should you have any questions about this day.

Yours faithfully
