

A student's guide to accessing **remote learning** via an **X-Box, Play Station or Smart TV**

These instructions will tell you how to use other devices to access our **remote learning**

Using an Xbox to access the remote learning site

If you have a keyboard, plug this into the Xbox USB slot.

- Go into **My Games and Apps**, then find **Microsoft Edge** and select it.
- Once you are using Edge you can access remote learning via **the school website**.
- Click on students and remote learning
- Enter your email address (han11xxxx@hansonacademy.org.uk) and password

To move around use your X-Box controller or plug in a mouse. Once you are logged in can also access your e-mails and use key packages, including Word, Excel, and PowerPoint.
